3. [ ] reported on tentative plans for briefings to be held at the next and subsequent meetings. [ ] indicated the desirability of having two briefings at each meeting. He also indicated that Team members should be thinking about the report on processing and exploitation of foreign publications. [ ] indicated that he is having CIA requirements for processing packaged. This package will treat on requirements for such processing as abstracting, title listings, or other forms of processing. He suggested a similar treatment might be undertaken in other agencies which could ultimately be consolidated and form a consolidated list for the Intelligence Community. From this point an attempt by the Team could be made to identify Community needs for
